MUHAMMED RAHIM, ISN 10029  
PERSONAL REPRESENTATIVE OPENING STATEMENT**

Good morning ladies and gentlemen of the Board. We are the Personal Representatives for ISN 10029, Mr. Muhammed Rahim.

Rahim has attended all scheduled meetings. During these meetings he has been respectful and eager to participate in the PRB. He has also shown regret for his past actions, saying he only did what he did for money, so he could feed his family.

Rahim has two wives and seven children. He eagerly wants to be reunited with his family. He believes he needs to be present to help guide his children on a peaceful path. He worries that without him there to guide them, they could be taken advantage of.

Rahim has spoken of wanting a peaceful life in the future.

Rahim has stated in our meetings he has never had any ill will towards the U.S. and this will continue in the future. We stand ready to answer any questions you have.
