

MEMORANDUM FOR THE RECORD

SUBJECT: Periodic Review Board File Review – Muhammed Abd Al Rahman Awn Al-Shamrani (SA-195)

On March 10, 2015, the PRB conducted a file review for Muhammed Abd Al Rahman Awn Al-Shamrani (SA-195) in accordance with Executive Order (E.O.) 13567, “Periodic Review of Individuals detained at Guantanamo Bay Naval Station Pursuant to the Authorization for Use of Military Force.” The PRB previously conducted a full review of the detainee and on August 21, 2014, determined that continued detention was necessary to protect against a continuing significant threat to the security of the United States. After reviewing relevant new information related to the detainee as well as information considered during the August 21, 2014 full review, the Board, by consensus, determined that a significant question is raised as to whether the detainee’s continued detention is warranted and therefore an additional full review should be conducted in accordance with section 3(c) of E.O. 13567.
