

MEMORANDUM FOR THE RECORD

SUBJECT: Periodic Review Board File Review – Faez Mohammed Ahmed al-Kandari (KU-552)

On April 14, 2015, the PRB conducted a file review for Faez Mohammed Ahmed al-Kandari (KU-552) in accordance with Executive Order (E.O.) 13567, "Periodic Review of Individuals detained at Guantanamo Bay Naval Station Pursuant to the Authorization for Use of Military Force." The PRB previously conducted a full review of the detainee and on June 12, 2014, determined that continued detention was necessary to protect against a continuing significant threat to the security of the United States. After reviewing relevant new information related to the detainee as well as information considered during the June 12, 2014 full review, the Board, by consensus, determined that a significant question is raised as to whether the detainee's continued detention is warranted and therefore an additional full review should be conducted in accordance with section 3(c) of E.O. 13567.
