Unclassified Summary of Final Determination

<u>Date of Final Determination</u>	<u>Detainee Name</u>	<u>Detainee ISN</u>
11 JUL 2016	Abdul Sahir	753

The Periodic Review Board, by consensus, determined that continued law of war detention of the detainee is no longer necessary to protect against a continuing significant threat to the security of the United States.

In making this determination, the Board considered the detainee's candor in discussing his time in Afghanistan and involvement with the Taliban, the detainee's limited role in Taliban structure and activities, and the assessment that the detainee was probably misidentified as the individual who had ties to al-Qaeda weapons facilitation. The Board also noted that the detainee has not expressed any intent to reengage in extremist activity or espoused any anti-US sentiment that would indicate he views the US as an enemy. Finally, the Board considered the detainee's efforts to pursue educational and treatment opportunities while at Guantanamo, and the detainee's available support network and job skills to assist with reintegration.

The Board recommends transfer, with the appropriate security assurances as negotiated by the Special Envoys and agreed to by relevant USG departments and agencies.
