Unclassified Summary of Final Determination

<u>Date of Final Determination</u>	<u>Detainee Name</u>	<u>Detainee ISN</u>
26 October 2015	Moath Hamza Ahmed Al-Alwi	28

The Periodic Review Board, by consensus, determined that continued law of war detention of the detainee remains necessary to protect against a continuing significant threat to the security of the United States.

In making this determination, the Board noted the detainee's prior close ties with the Taliban and his praise for the Taliban as expressed during the hearing. The Board found the detainee to be evasive and hostile in response to its questions as well as failing to acknowledge or accept responsibility for his prior actions. The Board found minimal evidence of a change in the detainee's mindset and insufficient detail regarding the detainee's plans for the future or efforts to prepare himself for life outside of detention.

The PRB encourages the detainee to work with his family and representatives on his future plans and to be more forthcoming with the Board in future reviews.
