MEMORANDUM FOR THE RECORD

SUBJECT: Periodic Review Board File Review - Zayn al-Ibidin Muhammed Husayn (GZ-10016)

On 16 July 2020, the PRB conducted a file review for Zayn al-Ibidin Muhammed Husayn (GZ-10016) in accordance with Executive Order (E.O.) 13567, "Periodic Review of Individuals detained at Guantanamo Bay Naval Station Pursuant to the Authorization for Use of Military Force." The PRB previously conducted a full review of the detainee and on 5 March 2020 determined that continued detention was necessary to protect against a continuing significant threat to the security of the United States. After reviewing relevant new information related to the detainee as well as information considered during prior reviews, the Board, by consensus, determined that no significant question is raised as to whether the detainee's continued detention is warranted.
