Unclassified Summary of Final Determination

<u>Date of Final Determination</u>	<u>Detainee Name</u>	<u>Detainee ISN</u>
20 JUN 2019	Mohd Farik bin Amin	10021

The Periodic Review Board, by consensus, determined that continued law of war detention of the detainee remains necessary to protect against a continuing significant threat to the security of the United States.

In making this determination, the Board considered the detainee's involvement with senior al Qaida leaders to include agreeing to be part of an al Qaida suicide operation and facilitating money transfers of funds used in terrorist attacks. The Board's inability to assess the detainee's current threat level due to the detainee's refusal to meet with his personal representative, the lack of submission of any new materials and the detainee's decision not to attend the hearing.
