**Periodic Review Board Determination**

<b>Date of Board Determination</b> 20 November 2018	<b>Detainee Name</b> Guleed Hassan Ahmed	<b>Detainee ISN</b> 10023
--	---	------------------------------

**DECISION:** The Periodic Review Board (PRB) determines:

By consensus, continued law of war detention of the detainee *remains necessary* to protect against a continuing significant threat to the security of the United States.

By consensus, continued law of war detention *is no longer necessary* to protect against a continuing significant threat to the security of the United States.

**FACTORS WHICH CONTRIBUTED TO THE CONSENSUS DETERMINATION** (*attach additional sheets if needed*)

- The detainee's long history with al-Qaida as well as providing logistical and operational support to al-Qaida in East Africa (AQEA) leaders including casing ██████████ Camp Lemonnier in Djibouti, the target of an AQEA plot.
- The detainee's refusal to attend the hearing and answer the Board's questions prevent the Board from assessing whether he has had any change in mindset or exploring his current intentions.
- Continued noncompliant behavior and anti-US statements while in detention.

The Board encourages the detainee to engage in the PRB process in the future.

The PRB recommends the following conditions that relate to the detainee's transfer: N/A
