MEMORANDUM FOR THE RECORD

SUBJECT: Periodic Review Board File Review - Hassan Muhammad Ali Bin Attash (SA-1456)

On 5 April 2017, the PRB conducted a file review for Hassan Muhammad Ali Bin Attash (SA-1456) in accordance with Executive Order (E.O.) 13567, "Periodic Review of Individuals detained at Guantanamo Bay Naval Station Pursuant to the Authorization for Use of Military Force." The PRB previously conducted a full review of the detainee and on 11 October 2016 determined that continued detention was necessary to protect against a continuing significant threat to the security of the United States. After reviewing relevant new information related to the detainee as well as information considered during the prior review, the Board, by consensus, determined that no significant question is raised as to whether the detainee's continued detention is warranted.
