<u>Date of Board Determination</u> 27 FEB 2018	<u>Detainee Name</u> ABDUL RABBANI ABU RAHMAH	<u>Detainee ISN</u> 1460
---	--	-----------------------------

DECISION: The Periodic Review Board (PRB) determines:

By consensus, continued law of war detention of the detainee *remains necessary* to protect against a continuing significant threat to the security of the United States.

By consensus, continued law of war detention *is no longer necessary* to protect against a continuing significant threat to the security of the United States.

FACTORS WHICH CONTRIBUTED TO THE CONSENSUS DETERMINATION (*attach additional sheets if needed*)

- The detainee worked directly for al Qaida external operations chief Khalid Shayk Muhammad (ISN 10024) providing significant assistance to include playing a prominent role moving and housing al Qaida fighters and key figures.
- The Board's inability to assess the detainee's current threat level due to:
 - the detainee's decision not to attend the hearing
 - the lack of submission of any new materials by the detainee and his representatives
 - the detainee's refusal to meet with his personal representative

The Board encourages the detainee to re-engage in the PRB process and provide information that would assist the Board in assessing his threat level in the future.

The PRB recommends the following conditions that relate to the detainee's transfer:
