## GUANTANAMO DETAINEE PROFILE

Detainee ISN: PK-1460

<b>Detainee Name</b>	Abdul Rahim Ghulam Rabbani
<b>Detainee Aliases</b>	Abu Rahmah, Abu Rahman, Sayyid Amin
<b>Nationality</b>	Pakistani citizen born and raised in Saudi Arabia
<b>Date of Birth</b>	1967
<b>Arrival at Guantanamo</b>	September 2004

~~U//FOUO~~ Abdul Rahim Ghulam Rabbani (PK-1460) was an al-Qa'ida facilitator who worked directly for al-Qa'ida external operations chief Khalid Shaykh Muhammad (KH-10024) and focused primarily on providing logistic support and operating an al-Qa'ida safehouse in Karachi, Pakistan. Recruited by his younger brother—fellow Guantanamo Bay (GTMO) detainee Ahmed Ghulam Rabbani (PK-1461), a.k.a. Abu Badr—Rabbani probably played a support role in al-Qa'ida operations, although we judge that he probably did not have specific insights into al-Qa'ida's operational plans.
