

MEMORANDUM FOR THE RECORD

SUBJECT: Periodic Review Board File Review – Haroon al-Afghani (AF-3148)

On 11 March 2021, the PRB conducted a file review for Haroon al-Afghani (AF-3148) in accordance with Executive Order (E.O.) 13567, “Periodic Review of Individuals detained at Guantanamo Bay Naval Station Pursuant to the Authorization for Use of Military Force.” The PRB previously conducted a full review of the detainee and on 18 September 2020 determined that the detainee’s continued detention remained necessary. After reviewing relevant new information related to the detainee as well as information considered during the prior reviews, the Board, by consensus, determined that a significant question is raised as to whether the detainee’s continued detention is warranted and therefore an additional full review should be conducted in accordance with section 3(c) of E.O. 13567.
