<u>Date of Final Determination</u>	<u>Detainee Name</u>	<u>Detainee ISN</u>
13 APR 2022	Said bin Brahim bin Umram Bakush	685

The Periodic Review Board, by consensus, determined that continued law of war detention of the detainee is no longer necessary to protect against a continuing significant threat to the national security of the United States.

In making this determination, the Board considered the detainee's lack of a leadership role in al Qaida, the detainee's compliance while in detention, and the support available to the detainee upon transfer.

The PRB recommends the following conditions that relate to the detainee's transfer: Appropriate security assurances as negotiated by and agreed to by relevant USG departments and agencies.
