Unclassified Summary of Final Determination

<u>Date of Final Determination</u>	<u>Detainee Name</u>	<u>Detainee ISN</u>
11 JUL 2016	Shawqi Awad Balzuhair	838

The Periodic Review Board, by consensus, determined that continued law of war detention of the detainee is no longer necessary to protect against a continuing significant threat to the security of the United States.

In making this determination, the Board considered that the detainee's degree of involvement and significance in extremist activities has been reassessed to be that of a low-level fighter. The Board also noted the detainee's lack of expression of support for extremist ideologies, the detainee's compliance record at Guantanamo, and the detainee's lack of ongoing extremist ties.

The Board recommends transfer, with the appropriate security assurances as negotiated by the Special Envoys and agreed to by relevant USG departments and agencies.
