Unclassified Summary of Final Determination

<u>Date of Final Determination</u>	<u>Detainee Name</u>	<u>Detainee ISN</u>
28 JUL 2016	Musab Omar Ali Al-Mudwani	839

The Periodic Review Board, by consensus, determined that continued law of war detention of the detainee is no longer necessary to protect against a continuing significant threat to the security of the United States.

In making this determination, the Board considered the detainee's degree of involvement and significance in extremist activities has been reassessed to be that of a low-level fighter. The Board also noted that the detainee has taken advantage of educational opportunities while at Guantanamo, the detainee's lack of expression of support for extremist ideologies for anti-American sentiment, the detainee's lack of ongoing extremist ties, the detainee's strong familial support network, and that the detainee has been highly compliant throughout detention.

The Board recommends resettlement with reintegration support, with the appropriate security assurances as negotiated by the Special Envoys and agreed to by relevant USG departments and agencies.
